Dedication

MRS. JENEVIE LAUFFER

- Because she has given many years of dedicated service to students in the Valier Schools.
- Because of her continued interest in each of us reaching our goal.
- Because in retrospect we value and appreciate so many of the lessons she taught us.

We, the class of 1965, dedicate our Northern Lights annual to and salute Mrs. Jenevie Lauffer.

Superintendent

Foreword

To the Class of 1965 -

We have labored together these past years in educational harmony. You now go forth to bring the benefits of your labors to mankind. Let the light of your knowledge lead others from the darkness of ignorance. May your guidance smooth the way so that others may follow with greater ease.

Life holds many heartaches but also there is much happiness; no one has a monopoly on either. I sincerely hope that we, who have taught you, have given you the courage to face up to the heartaches and the wisdom to live in happiness.

May God's richest blessings go with you in your graduation.
